A Class Act

The so-called puppets have been vibrantly alive, innovative, entertaining and productive.

They have proved our point: that what we need from a title-holder is originality, creativity, fun and camp, not stodgy narcissism. That is the only way to perpetuate our trips — all of our trips.

We are proud of Ken and Sable. They have lifted our Spirits. They have given us a good year.

As their Court named Puppeteer we did not have to pull one string. They stood tall — on their own.
